RE: Public Works Impact Project
Movable Ferrous Metals Recovery Project (Recycling)

Dear Mr. Luke:

This letter constitutes the "letter of intent" whereby the Salt River Indian Community, at this pre-application stage, is willing to provide \$126,000 as local share to the proposed recycling project. It is our understanding that the \$25,000 contingency portion of this project's budget is also the Tribe's responsibility if any portion of the contingency budget item is needed for this project.

Sincerely,

Herschel Andrews
President
